HEALTH OFFICER ORDER NO. 2020-12.11
COUNTY OF SANTA BARBARA

FOR THE CONTROL OF COVID-19
PHASED REOPENING WITHIN SANTA BARBARA COUNTY

Health Officer Order No. 2020-12.11 Supersedes and Replaces Health Officer Order No. 2020-12.10

Effective Date: October 13, 2020, 5:00 p.m. PDT

(Changes are underlined.)

Please read this Order carefully. Violation of or failure to comply with this Order may constitute a misdemeanor punishable by fine of up to $1,000, imprisonment, or both. (Health and Safety Code §§ 101029, 120295 et seq.) Violators are also subject to civil enforcement actions including fines or civil penalties per violation per day, injunctive relief, and attorneys’ fees and costs.

This Health Officer Order No. 2020-12.11 supersedes and replaces Health Officer Order No. 2020-12.10 that was effective October 2, 2020. Nothing in this Health Officer Order supersedes State Executive Orders or State Public Health Officer Orders. COVID-19 industry specific guidance provided by the California Department of Public Health is available at: https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Guidance.aspx#

Summary: As allowed in State guidance issued October 9, 2020, this Order is more restrictive than the State guidance on gatherings. This Order prohibits “gatherings” large and small, unless an exemption applies.

As of September 29, 2020, within the State COVID-19 reopening framework, the County of Santa Barbara is classified as Tier Two (“red” or “substantial risk”); this is less restrictive for reopening some activities than Tier One (“purple” or “widespread risk”), that the County of Santa Barbara was in before September 29, 2020.

Consistent with the State Public Health Officer Orders issued August 28, 2020, this Health Officer Order allows the reopening of some, but not all, Businesses within the County of Santa Barbara. Businesses that may remain open, or open indoor operations with modifications include, but are not limited to, hair salons and barbershops, clothing and shoe stores, florists, grocery stores, home and furnishing stores, jewelry stores, libraries, retailers, shopping malls, sporting goods stores, toy stores, electrolysis, nail salons, personal care services, indoor dining in restaurants, gyms and fitness centers, movie theatres, museums, zoos, aquariums, places of worship, cultural ceremonies, outdoor public playgrounds, and higher education institutions as listed in Attachment A. In-person education for grades transitional kindergarten through 12 may open. All Businesses (as defined) must follow State and local orders.

Consistent with the State Public Health Officer Order issued August 28, 2020, this
Health Officer orders the continued closure of indoor operations for some Businesses such as breweries, bars, brewpubs, pubs, wineries, tasting rooms, or distilleries (unless only serving alcohol in the same transaction as a sit-down meal), indoor swimming pools, and offices that are non-essential as listed in Attachment B. Businesses that must stay closed and are not allowed to reopen physical locations at this time are listed in the Attachment B.

WHEREAS, on March 4, 2020, Governor Newsom declared a state of emergency for conditions caused by a novel coronavirus, COVID-19, and on March 11, 2020, the World Health Organization declared COVID-19 a global pandemic, and on March 12, 2020, the County of Santa Barbara declared a local emergency and a local health emergency in relation COVID-19 in the community; and

WHEREAS, in the County of Santa Barbara as well as throughout California and the nation, there are insufficient quantities of critical healthcare infrastructure, including hospital beds, ventilators and workers, capable of adequately treating mass numbers of patients at a single time – should the virus spread unchecked; and

WHEREAS, in direct response to the lack of healthcare infrastructure, governments across the nation are taking actions to slow the spread of COVID-19 in order to “flatten the curve” of infection and reduce the numbers of individuals infected at any one time by minimizing situations where the virus can spread; and

WHEREAS, in furtherance of this effort, on March 19, 2020, Governor Newsom issued Executive Order N-33-20 requiring all persons residing in the State to remain in their homes or places of residence, except as needed to maintain the continuity of operations for critical infrastructure (the “State Stay-at-Home Order”); and

WHEREAS, also on March 19, 2020, the State Public Health Officer ordered all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain continuity of operations for the federal critical infrastructure sectors, which was updated on March 28, 2020; and

WHEREAS, on March 20, 2020, the State Public Health Officer designated a list of Essential Critical Infrastructure Workers, to help state, local, tribal, and industry partners as they work to protect communities, while ensuring continuity of functions critical to protect public health and safety, which was updated on March 22, 2020; and

WHEREAS, on May 4, 2020, Governor Newsom issued Executive Order N-60-20 to allow reopening of lower-risk businesses and spaces in stages. On May 7, 2020, the State Public Health Officer ordered that upon certification of a variance application a County could move through the stages of reopening at their own pace. On May 20, 2020, the CDPH approved the County of Santa Barbara’s Variance Attestation; and

WHEREAS, on July 1, 2020, CDPH instructed counties which had been on State’s County Monitoring list for more than three consecutive days to immediately close all bars, breweries, pubs and brewpubs, as well as indoor operations of Businesses for specified industries and sectors. On July 13, 2020, the State Public Health Officer ordered counties which had been on the State’s County Monitoring list for more than three consecutive
days to close indoor operations of: gyms and fitness centers; places of worship; protests; offices for non-essential critical infrastructure sectors defined at covid19.ca.gov; personal care services (including nail salons, massage parlors, and tattoo parlors); hair salons and barbershops; and malls; and

WHEREAS, on July 13, 2020, CDPH mandated that all CDPH industry or sector guidance issued must be followed including all infectious control measures, and the use of face coverings both indoors and outdoors in certain settings; and

WHEREAS, on August 28, 2020, the State Public Health Officer ordered an update to the framework for reopening, which is known as California’s Plan for Reducing COVID-19 and Adjusting Permitted Sector Activities to Keep Californians Healthy and Safe. Governor Newsom introduced this framework as the Blueprint for a Safer Economy, with a four-tiered color-coded county classification system: (1) purple represents the highest widespread risk level; (2) red represents substantial risk; (3) orange represents moderate risk; and, (4) yellow the lowest level, represents minimal risk. Counties are prohibited from moving through the tiers more than one tier at a time and must stay at the same tier for at least three weeks.

WHEREAS, under the updated framework, some sectors that were ordered closed by the July 13, 2020 State Public Health Officer Order could reopen with modifications depending on a county’s tier classification while others had to remain closed. As of August 31, 2020, the County was classified as a Tier One, “purple”, the highest widespread risk tier, and as of September 29, 2020, the County of was classified as Tier Two, “red”; and

WHEREAS, State guidance requires that a County maintain its “red” tier status for two weeks before allowing in-person education for grades transitional kindergarten through 12, unless a waiver was previously approved. As of October 13, 2020, the County has been in the “red” tier for more than two weeks; and

WHEREAS, the County Health Officer finds: (1) the County has received repeated reports that some businesses have refused to comply with the State Stay-at-Home Order, State guidance, and/or local Health Officer Orders; (2) the reported activities are inconsistent with the State Stay-at-Home Order and/or Santa Barbara County’s classification tier; (3) guidance for businesses is required to prevent the potential increased spread of COVID-19 which would add strain to the County of Santa Barbara health care system; (4) without the guidance and restrictions described herein some businesses are likely to continue to impair efforts at mitigating the spread of the illness both within the County and statewide; and (5) distinctions made in this Order are to minimize the spread of COVID-19 that could occur through proximity and duration of contact between individuals; and

WHEREAS, the intent of this Order is to order businesses in the County of Santa Barbara regarding operations under the State Stay-at-Home Order and County of Santa Barbara’s Tier Two, “red”, substantial risk classification under California’s Plan for Reducing COVID-19 and Adjusting Permitted Sector Activities to Keep Californians Healthy and Safe, and to slow the spread of COVID-19 to the maximum extent possible. All provisions of this Order should be interpreted to effectuate this intent.
ACCORDINGLY, UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, TITLE 17 CALIFORNIA CODE OF REGULATIONS SECTION 2501, THE HEALTH OFFICER OF THE COUNTY OF SANTA BARBARA ORDERS:

1. This Order 2020-12.11 is effective 5:00 p.m. (PDT) October 13, 2020 and continuing until 5:00 p.m. (PDT), on November 11, 2020 or until it is extended, rescinded, superseded, or amended in writing by the County of Santa Barbara Health Officer ("Health Officer"). This Order applies in the incorporated and unincorporated areas of Santa Barbara County ("County").

2. Gatherings are not allowed. As allowed in State guidance issued October 9, 2020, this Order is more restrictive than the State guidance on gatherings. This Order prohibits all gatherings, whether large or small, are unless an exemption applies.
   a. A “gathering” is any event or convening that brings together people from different households in a single room or single space at the same time, such as an auditorium, stadium, arena, large conference room, meeting hall, cafeteria, or any other indoor or outdoor space, whether public or private.
   b. Gathering exemptions. All gatherings that are exempt must comply with State Executive Orders, State Public Health Orders, and State guidance available at covid19.ca.gov, and Santa Barbara County Health Officer Orders.
      i. To the extent that Businesses are open, and activities allowed, individuals may leave their homes to work at, patronize, or otherwise engage with those Businesses, or activities, and must, when they do so, continue at all times to practice physical distancing, and follow State and Local Orders;
      ii. The prohibition on gatherings does not apply to outdoor recreational activities when physical distancing of six feet can be maintained. Examples of recreational activities include, but are not limited to, walking, cycling, jogging, and hiking;
      iii. The prohibition on gatherings does not apply to congregate living situations, including dormitories, and homeless encampments; and
      iv. The prohibition on gatherings does not apply to outdoor worship services, outdoor wedding ceremonies, outdoor cultural ceremonies (religious and non-religious), outdoor protests, or outdoor political speech, when physical distancing of six feet can be maintained.

3. "Business" or "Businesses" for the purpose of this Health Officer Order is defined to mean any institution, establishment, public or private agency, for-profit, non-profit, or educational entity, whether an organization, corporate entity, partnership, or sole proprietorship.

4. All Businesses except those listed in Attachment B, as attached hereto and incorporated by this reference, may remain open or open, upon completion of, and in accordance with all of the following:
   a. Perform a detailed risk assessment including reviewing State and local guidance relevant to the Business and create a site-specific protection plan;
b. Train employees about how to limit the spread of COVID-19 including how to screen themselves for COVID-19 symptoms and when to stay home. COVID-19 symptoms are described in Attachment C;

c. Set up individual control measures and screenings;

d. Put disinfection protocols in place;

e. Observe “Face Covering” orders in effect from the local health officer and/or the California Department of Public Health;

f. If operating outdoors, a tent, canopy, or other sun shelter may be used as long as no more than one side is closed;

g. Complete the RISE attestation, including its social distancing protocol, and self-certification process at: https://recoverysbc.org/reopen-your-business/. (If a Business does not have access to the internet it can call 805-681-5508); and

h. Post the self-certification at the Business location.

5. Businesses listed in Attachment A, as attached hereto and incorporated by this reference, are subject to the additional modifications described in Attachment A such as outdoor only operations or indoor capacity limits. For purposes of this Order, “capacity” means occupancy limits designated by the applicable Fire Marshall. Employees are excluded from the capacity limitations described in Attachment A.

6. Businesses listed in Attachment B, as attached hereto and incorporated by this reference, must keep physical locations closed. Businesses listed in Attachment B may continue to provide services so long as those services can be provided remotely and without individuals physical present at the Business location, unless an exception applies. Maintenance to prevent property damage of the Businesses listed in Attachment B is allowed. This list may be amended from time to time, as required for our region’s response to COVID-19.

7. **Emergency Food Permit.** Breweries, bars, brewpubs, pubs, wineries, tasting rooms, and distilleries that serve alcoholic beverages but that do not have an on-site permitted food facility and would like to serve food:

   a. Must obtain an Emergency Food Permit issued by the Santa Barbara County Health Department to temporarily serve food.

   b. A brewery, bar, brewpub, pub, winery, tasting room, or distillery in possession of an Emergency Food Permit issued by the Santa Barbara County Health Department may continue to temporarily serve food at their discretion, unless otherwise suspended, revoked, or terminated.

   c. A brewery, bar, brewpub, pub, winery, tasting room, or distillery in possession of an Emergency Food Permit issued by the Santa Barbara County Health Department may cease operations of food service at their discretion, but in doing so may be subject to closure of the physical location.

**IN ADDITION TO THE ABOVE ORDER THE HEALTH OFFICER STRONGLY RECOMMENDS** that retailers designate specific hours of operation for their stores to

accommodate populations at high risk of developing severe COVID-19 disease, such as persons over the age of 65 years.

This Order is issued as a result of the worldwide pandemic of COVID-19 which has infected at least 38,282,209 individuals worldwide, in 214 countries and territories, including 9,475 cases, and 116 deaths in the County, and is implicated in over 1,088,661 worldwide deaths.

This Order is issued based on evidence of continued community-based transmission of COVID-19 both within the County and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, as well as best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19.

This Order is issued because of the propensity of the virus to spread person to person and also because the virus physically is causing property loss or damage due to its proclivity to attach to surfaces for prolonged periods of time.

This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. As the presence of individuals increases, the difficulty and magnitude of tracing individuals who may have been exposed to a case rises exponentially.

This Order is issued in accordance with, and incorporates by reference: the March 4, 2020 Proclamation of a State Emergency issued by Governor Gavin Newsom; the March 12, 2020 Declaration of Local Health Emergency and Proclamation of Emergency based on an imminent and proximate threat to public health from the introduction of novel COVID-19 in the County; the March 17, 2020 Resolution of the Board of Supervisors ratifying the County Declaration of Local Health Emergency and Proclamation of Emergency regarding COVID-19; the guidance issued on March 11, 2020 by the California Department of Public Health regarding large gatherings of 250 people or more; Governor Gavin Newsom’s Executive Order N-25-20 of March 12, 2020 preparing the State to commandeer hotels and other places of temporary residence, medical facilities, and other facilities that are suitable as places of temporary residence or medical facilities as necessary for quarantining, isolating or treating individuals who test positive for COVID-19 or who have had a high-risk exposure and are thought to be in the incubation period; the March 13, 2020 Presidential Declaration of a National Emergency due to the national impacts of COVID-19; the guidance issued on March 15, 2020 by the Centers for Disease Control and Prevention, the California Department of Public Health, and other public health officials through the United States and around the world recommending the cancellation of gatherings involving more than fifty (50) or more persons in a single space at the same time; the March 16, 2020 order of the State Public Health Officer prohibiting all gatherings with expected presence above ten (10) individuals; Governor Newsom’s Executive Order N-33-20 of March 19, 2020 ordering all persons to stay at home to protect the health and well-being of all Californians and to establish consistency across the state in order to slow the spread of COVID-19; the March 22, 2020, Presidential Declaration of a Major Disaster in California beginning on January 20, 2020 under Federal Emergency Management Agency (FEMA) Incident DR-4482-CA; Governor Newsom’s Executive Order N-60-20 of May 4, 2020 to allow reopening of lower-risk businesses and spaces.
("Stage Two"), and then to allow reopening of higher-risk businesses and spaces ("Stage Three"), and directing the Public Health Officer to establish criteria and procedures to determine whether and how particular local jurisdictions may implement public health measures that depart from the statewide directives of the State Public Health Officer; the May 7, 2020, State Public Health Officer Order; the July 13, 2020 State Public Health Officer Order; and the August 28, 2020 State Public health Officer Order called California's Plan for Reducing COVID-19 and Adjusting Permitted Sector Activities to Keep Californians Healthy and Safe.

This Order is made in accordance with all applicable State and Federal laws, including but not limited to: Health and Safety Code sections 101040 and 120175; Health and Safety Code sections 101030 et seq., 120100 et seq.; and Title 17 of the California Code of Regulations section 2501.

If any provision of this Order or the application thereof to any person or circumstance is held to be invalid by a court of competent jurisdiction, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

The violation of any provision of this Order constitutes a threat to public health. Pursuant to Government Code sections 26602 and 41601 and Health and Safety Code sections 101029 and 120295, the Health Officer requests that the Sheriff and all chiefs of police in the County ensure compliance with and enforce this Order. Per Health and Safety Code section 101029, "the sheriff of each county, or city and county, may enforce within the county, or the city and county, all orders of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease. Every peace officer of every political subdivision of the county, or city and county, may enforce within the area subject to his or her jurisdiction all orders of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease. This section is not a limitation on the authority of peace officers or public officers to enforce orders of the local health officer. When deciding whether to request this assistance in enforcement of its orders, the local health officer may consider whether it would be necessary to advise the enforcement agency of any measures that should be taken to prevent infection of the enforcement officers."

Copies of this Order shall promptly be: (1) made available at the County Public Health Department; (2) posted on the County Public Health Department's website (publichealthsbc.org); and (3) provided to any member of the public requesting a copy of this Order.
