FACE COVERINGS ARE REQUIRED INDOORS

Masking Protects Against Delta Variant

As of 5 p.m. Friday, August 6, 2021 (County HOO #2021-10.3), appropriate face coverings are required to be worn indoors regardless of vaccination status. Per the mask mandate, facial coverings are NO LONGER OPTIONAL for fully-vaccinated individuals.

For those who need a face covering, one may be provided (dependent on availability). Otherwise, accommodations will be made to maintain the safety of all individuals.
